

We care about your son/daughter; together we can walk the journey of the best educational experience at ABS.

Dear ABS Parent,

Our priority is to ensure a healthy learning environment for your son/daughter. At the Amman Baccalaureate School we direct all of our efforts and resources towards the best learning experience for our current 962 students as well as for the new generations to come.

Our ABS community works diligently on nurturing the educational journey of your son/daughter. For more than 25 years of hard work and commitment we have ensured the provision of the best education in Jordan. We have blazed the right path for students graduating a unique blend of tomorrow's leaders. Your son/daughter as well as your future grandchildren are indeed our building blocks and our pride.

In order to continue to be the best possible environment to nurture your son/daughter, ABS is undertaking a strategic plan that will strengthen our students, our teachers and our campus. For 25 years, ABS has educated the leaders of Jordan, nurturing both their intellect and their hearts. With this initiative, we will move into the next 25 years with confidence.

Since we are cocreators in envisioning the future I will be personally contacting your good self to shed light on what the ABS plans to achieve. Your name will become the imprint and your generosity will go a long way to better the education of our children.

Yours Sincerely,

Manal El Sharif

Director Development and Fundraising
