# Pupil Information

- View important **information** about your child including:
  - **Contact** Details
  - **Medical** Info
  - **Dietary** Requirements
  - **Transport** Info

The screenshot displays a 'Parent Portal' interface. At the top, there is a logo on the left and the text 'Parent Portal' on the right. Below this is a navigation bar with links for 'Home', 'My Details', 'My Calendar', and 'Websites'. A 'Go back to previous page' link is also visible. The main content area features a camera icon placeholder and a table of pupil details:

Year:	Grade 9
Form:	9E-MGH ( <i>May Ghanma</i> )
House:	Hawks
Age:	14 years 7 months
Date of Birth:	13 March 2001

Below the table is a vertical list of menu items, each in a red button:

- Contact Details
- Siblings
- Transport Details
- Pupil Subjects and Teachers
- Timetable
- Pupil Details
- Attendance
- Assessment Reports
- Medical Details

**Hannah Barrett**

Form: 10TT  
 Form Tutor: Mr Thomas Tranch  
 Report For: Summer Term 2011

Subject	Details
Art	<p>Effort 3      Attainment C      Exam 69</p> <p>Hannah has made some good improvements this year, especially with her watercolour work. She has a natural eye for colour, and with better concentration can produce some good quality work. Hannah must ensure that she listens carefully to instructions and examples so that she can tackle questions independently. She must also take care to read the questions carefully and check her answers as she lost several marks due to silly mistakes!</p>
Biology	<p>Effort 5      Attainment B      Exam 76</p> <p>Hannah has continued to enjoy the Biology topics covered during the Spring and Summer terms. She has developed some good basic scientific skills. Hannah has an enquiring mind and her urge to discover and record is excellent to see. She has a genuine appreciation of natural things and enjoys identifying and discussing living things. Hannah is an earnest and alert observer, which is evident when she has been carrying out in class experiments and more recently during a location study in the school woods.</p>
Chemistry	<p>Effort 2      Attainment B      Exam 76</p>
